

**NATIONAL ENGINEERING MANUAL  
PRIMARY TABLE OF CONTENTS**

**GENERAL**

|     |                                     |
|-----|-------------------------------------|
| 500 | INTRODUCTION                        |
| 501 | AUTHORIZATIONS                      |
| 502 | RESPONSIBILITIES                    |
| 503 | SAFETY                              |
| 504 | INVESTIGATIONS, STUDIES AND REPORTS |
| 505 | NON-NRCS ENGINEERING                |
| 506 | TECHNICAL MATERIALS                 |

**MANAGEMENT**

|     |                           |
|-----|---------------------------|
| 510 | PLANNING                  |
| 511 | DESIGN                    |
| 512 | CONSTRUCTION              |
| 513 | OPERATION AND MAINTENANCE |

**APPLICATIONS**

|     |                               |
|-----|-------------------------------|
| 520 | STREAMS AND CHANNELS          |
| 521 | WATER QUALITY                 |
| 522 | WATER SUPPLY AND CONSERVATION |
| 523 | IRRIGATION                    |
| 524 | DRAINAGE                      |
| 525 | RESTORATION                   |
| 526 | STORMWATER MANAGEMENT         |
| 527 | WETLANDS                      |
| 528 | DAMS                          |
| 529 | AIR QUALITY                   |

**TECHNOLOGY**

|     |                           |
|-----|---------------------------|
| 530 | HYDROLOGY                 |
| 531 | GEOLOGY                   |
| 532 | BIOLOGICAL ENGINEERING    |
| 533 | SOILS ENGINEERING         |
| 534 | HYDRAULIC ENGINEERING     |
| 535 | LANDSCAPE ARCHITECTURE    |
| 536 | STRUCTURAL ENGINEERING    |
| 537 | ENVIRONMENTAL ENGINEERING |
